

DegreeVerify 2.0

The Next Generation in Verification Services

New User-Friendly Website

- Intuitive landing page for quickly submitting requests, viewing reports, and more
- Enhanced ordering process
- Streamlined results page
- Timeline display of your request, its status, and history
- Improved history page with multiple filtering and sorting options

Degree-Level Filtering

You can request the specific degree level you want and get an immediate confirmation, including the degree level you chose and all degrees for the individual at the school you requested.

Intelligent School Matching

Helps ensure the correct school is selected for each request you submit by automatically searching for the correct school whenever an immediate match isn't found.

Improved Integration

DegreeVerify 2.0 uses JSON, the industry standard for data exchanges, enabling data to move faster and more efficiently.

Customer Initiated Cancellations

You can now cancel incomplete transactions yourself. You no longer need to contact our customer service team. Plus it will prevent delays caused by requests that are no longer needed.

High School Diploma Verifications **in an Instant**

Verifying high school diplomas can be as critical to background checks as confirming other academic credentials, but it has also been very frustrating, costly and time consuming – until **DiplomaVerify**.

DiplomaVerify is the **ONLY** service that offers immediate high school diploma verifications, and delivers benefits like:

- 24/7 availability
- Save time! You'll get an instant response every time.
- Decrease costs through automatic verifications that reduce manual processing.
- Improve results by connecting you to data from the source – the graduate's high school.
- Speed high school grad hiring. Instead of waiting the typical two weeks or more, your results are delivered immediately.

DiplomaVerify is available to requestors who have signed a DiplomaVerify agreement and have the individual's written consent to verify their diploma.

Verifications can be quickly performed for individuals who have applied for employment, military service, a workforce or educational certification or credential, or acceptance to an educational program of study.

Why wait to get fast and easy high school verifications?
