# Next Generation Transcript Experience
Transcript ordering as mobile as your students

With our **Next Generation Transcript Experience**, ordering transcripts is faster and easier than ever. Your students and alumni can quickly and securely order their transcript wherever they are, whenever they have a moment, so they can get back to their lives and you don't have to interrupt yours.

Easy
- Intuitive interface and navigation simplifies ordering
- Progressive display anticipates user's needs
- Smart form design minimizes data entry
- Dynamic validation reduces errors

Fast
- Up to 50% faster than existing ordering solutions
- Designed to optimize speed and performance
- Loads quickly and keeps user apprised of progress

Mobile
- Built for mobile users
- Touch friendly interface
- Responsive design works seamlessly across all devices

... with Even More Ways to Speed Up Your Transcripts

Only the Clearinghouse's end-to-end solution automates all areas of your transcript processing and delivery to enable 24/7 touch-free worldwide quick delivery, including full SIS integration.
