

## PDP Pricing for Educational Organizations

The Clearinghouse offers several different Postsecondary Data Partnership packages based on the number of records your organization needs access to and the type of data you want to receive.

### Student Success Initiatives

The organization receives access to interactive dashboards and agrees to actively promote PDP adoption among the institutions they work with.

\$4,995	\$9,995	\$19,995
<15 institutions	15-39 institutions	40-99 institutions
\$29,995	\$39,995	\$69,995
100-159 institutions	160-199 institutions	200-599 institutions
\$89,995		
≥600 institutions		

The organization receives the interactive dashboards and the analysis-ready file with no student identifying information and agrees to actively promote PDP adoption among the institutions they work with.

\$12,995	\$29,995	\$39,995
<15 institutions	15-39 institutions	40-99 institutions
\$49,995	\$59,995	\$89,995
100-159 institutions	160-199 institutions	200-599 institutions
\$119,995		
≥600 institutions
